

## **AFFORDABLE HOUSING PROGRAM ELIGIBILITY REQUIREMENTS**

Downtown Commons located at 320 Colony Street is a mixed family housing apartment building across the Street from UWinnipeg. There are spacious one, two and three bedroom suites in this building. All utilities are included with the exception of cable, phone and internet. Subsidy is dependent on eligibility as outlined below.

The Affordable Housing Program at the Downtown Commons has two levels of support for tenants who have families where at least one member of the household is enrolled in post-secondary education.

- 1) Subsidized Apartments (Rent-Geared-To-Income (RGI)) – This program provides subsidized rental housing for eligible households. Eligibility is determined by a percentage of total gross household income. Tenants will pay 30% of this amount in rent and the Government of Manitoba will subsidize the balance of the rent providing the total gross household income is within the established guidelines.
- 2) Affordable Apartments - This program is for lower to moderate income households whose total gross household income is below the Program Income Limit as determined by Manitoba Housing.

2019 Affordable Rates:

- 1 BDRM: \$964
- 2 BDRM: \$1204
- 3 BDRM: \$1267

***Affordable Apartments Total Gross Income Limit:***

- Households without legal dependents - \$56,694
- Households with legal dependents - \$75,592

All above information is found online at <http://www.gov.mb.ca/housing/mh/progs/pil.html>.

**Eligibility for Specific Apartment Sizes**

An Applicant's eligibility for a specific accommodation size is determined by the National Occupancy Standards. These standards set the following criteria:

- Not less than one and not more than two persons may occupy a single bedroom. This means there must be at least one person per bedroom living in the accommodation.
- Parents and children may not use the same bedroom.
- Single person 18 and over must have a separate bedroom.
- Children five and over may not share a bedroom with another person of the opposite gender.

### **Factors for Exclusion**

Applicants may be excluded from consideration for the Affordable Housing Program if any of the following apply:

- Unsatisfactory tenancy history (based on landlord references, receipt of notices to end tenancies, or review of past tenancies in subsidized housing.)
- Provision of false or fraudulent information.
- Failure to provide documents as requested, or consent as needed to verify information provided and to determine eligibility.
- Unable to demonstrate an ability to pay rent and/or failure to apply for and receive income from provincial or federal income programs.
- Debt to a subsidized housing provider.

- Unable to live independently with supports.

- Demonstration of unacceptable behaviors either in relation to a tenancy or in the community at large that may threaten the health, safety or right of peaceful enjoyment of a community by others.
- If there is cause to believe that a household member is engaging in or has a history of criminal activity that may threaten the health, safety or right of peaceful enjoyment of the community by others, including the manufacturing or production of illegal drugs.

**Note:** Applicants who may be potentially excluded based on any of the above will be provided with an opportunity to provide additional information and/or documentation in support of their application to demonstrate suitability as a potential tenant.
